## Be a winner! Get a great deal on a Honda and help support Camps Mogen Avraham, Heller & Sternberg

In today's world almost everyone needs an automobile. We have created a new way for you to purchase or lease a brand new car, at the best price available, and help camp at the same time. Here is how it works: Go to any Honda dealer and get their best price in writing. Then fax us (212-691-0573) the quote and our dealer, Honda of New Rochelle will beat the price!

Of course, if you prefer, you can also call Honda of New Rochelle 914-636-2000 and ask for the personal service of Paul Mecca or Moshe Spingarn to make an appointment in their showroom at 25 East Main Street, New Rochelle, NY 10801. If you are in the Metro -New York area, arrangements can be made to have the car delivered.

If you have any question please feel free to call Rabbi Moshe Spingarn at the camp office 212-691-5548.
